## A Place To Live, Work, Engage

## Outstanding Membership Benefits

View of the World Terrace Club takes the world of private Manhattan clubs to new heights. Now you can hold business breakfasts, lunches and dinners high above the city, all year round, at an intimate 20th-floor restaurant with two soaring floor-to-ceiling window walls offering incredible panoramas of the city, Hudson River, and Freedom Tower slated to rise 1,776 feet at the site of the former World Trade Center.

Do business by day from complimentary workstations with high-speed Internet in a comfortable, distraction-free setting. Sip cocktails with clients or have a light bite at night while gazing at the stars on two outdoor terraces that showcase downtown NYC, Manhattan's harbor and the Verrazano Bridge. Hold formal or casual meetings and events of any size in the utmost stylish surroundings.

And if you or your associates need overnight accommodations, members can take advantage of specially-priced guest rooms and suites at Club Quarters, World Trade Center, a private, full-service hotel for member organizations.

Join today and make your next business meeting a memorable one with these exclusive member benefits:

- **Fine Indoor/Outdoor Dining Set to Spectacular Views:** Few lower Manhattan private clubs can match the superb cuisine and service at View of the World Terrace Club. Our year-round dining menu features delicious fare created with the freshest seasonal ingredients at very reasonable prices.

- **Networking Club and Meeting Facilities:** View of the World Terrace Club is the solution for business professionals seeking convenient, cost-effective meeting space in NYC. Members are welcome to conduct conferences and receptions in one of the modern rooms of Club Quarters, World Trade Center.

- **Reasonably-Priced Hotel Rooms & Suites** Members have preferred access to guest rooms onsite at Club Quarters, World Trade Center and at 13 additional prime downtown locations in New York, Boston, Philadelphia, Washington DC, Chicago, San Francisco, Houston and London.
